Reference: April Quarterly Report (1/1/09 -3/31/09)

Please be advised that we have amended our April Quarterly Report to reflect the changes required per you letter of June 2, 2009.

With regard to 'best efforts', please note that our campaign policy requires that we should and have contacted the appropriate individuals requesting, according to Federal Law, the necessary documentation needed to comply with reporting requirements. We have consistently informed them via letters that do not include solicitations for additional contributions, that we need occupational data as well as employment information and have also asked them to review what we already have in order to ensure complete accuracy. We have asked that this information be returned to us 30-60 days so that we may file an amended report.
